

St. George Catholic School

We are a small, multicultural school that is a ministry of St. George Catholic Church. Since 1951, our school has been a vibrant and important part of the community.

Students from Pre-Kindergarten through Eighth Grade are inspired, challenged, and supported as curious learners. Our experienced teachers and staff help students:

- *Understand and strengthen their faith*
- *Build confidence to develop strong character*
- *Become active members in the community*
- *Prepare for success in high school and college*

As a fully accredited Diocesan school, we are redefining Catholic education through innovative approaches to teaching and learning. We are committed to offering this high-quality education to all who seek it, regardless of family income.
